About GYL

Global Youth Leaders is an organization founded in 2009. It is an organization that dedicates time to train future leaders by giving youth opportunities to volunteer, and to work on their leadership skills. Since its inception, GYL has helped various communities around the world in many different ways.

Mission Statement

The goal of GYL is to inspire and empower youth to become socially responsible leaders in their home, community, country and around the globe in order to create a just and sustainable future.

Vision

Strive for education and skills training to develop the potential of each and every member. Build social awareness and compassion for issues that impact the lives of all living things through a loving and caring attitude. Encourage community services that address the needs of at-risk members of society. Promote cross-cultural and ethical discourse, understanding and cooperation. Achieve strength and integrity of character to become a role model for others within our local and global communities.

MESSAGE FROM FOUNDER / MPP RAYMOND CHO

Global Youth Leaders Canada
15th Annual Global Youth Leaders Forum

As MPP for Scarborough North and Founder of Global Youth Leaders Canada (GYL), I am delighted and honoured to offer my warmest welcome to everyone attending the 15th Annual Global Youth Leaders Forum.

Youth of today are the leaders of tomorrow. The mission of GYL is to empower young people to be our next generation of leaders. Every single day we can see how connected our world really is. A series of small actions can lead to substantive change. That is why giving back to our community is so important to the success of humanity.

GYL is offering each member with the tools and skills you will need to be an effective leader. All we ask in return, is that you make a difference in your community. Be the driving force of positivity and change that lifts us all up.

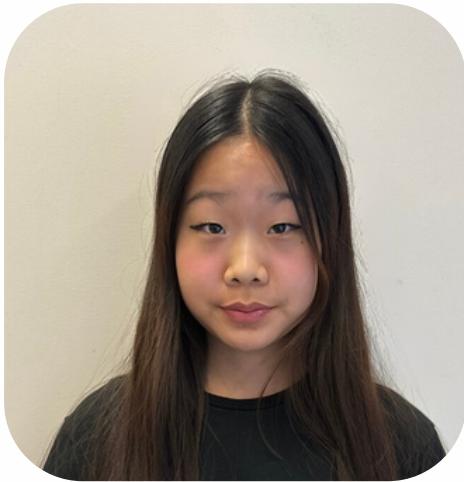

This forum is both a showcase and celebration of all the accomplishments made by members of GYL. I feel truly privileged and blessed to be part of the GYL family with you. I hope that each and every one of you have a sense of pride in all that you have achieved, and all you will achieve in the future.

Witnessing our youth evolve into tomorrow's leaders is both humbling and inspiring. Our future is entrusted to you, and I'm thrilled to say it is in excellent hands. Wishing you all a productive and encouraging forum as well as another year of successful leadership in action!

Sincerely ,

Dr. Raymond Cho

Operation

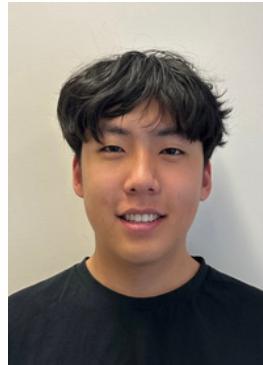

This year, the GYL executives had a clear vision: to cultivate a vibrant GYL community where each member could develop and practice their leadership skills, foster true volunteerism, and give back to the community. Our objective was to integrate mind-body connection for genuine leadership development, and we hosted numerous successful workshops throughout the year.

None of this would have been possible without the active engagement of each member, the encouragement from GYL parents, the empowering mentorship from various instructors, and the unwavering support from our founder, Minister Cho. Thank you GYL for making this year amazing, and we wish you all the best in your future endeavors

Mental Wellness Workshop

SURVIVING HIGH SCHOOL AND BEYOND: BUILDING SELF-AWARENESS AND RESILIENCE

PRESENTED BY GYL CANADA

Jeanie Kang is a dedicated professional, currently serving as an Operations Lead at the Centre for Mental Health, University Health Network. With a wealth of experience and a passion for helping others, her story is one of resilience and commitment.

Credentials

- Masters of Science in Occupational Therapy (2006) from the University of Toronto.
- Honours Bachelor of Science in Psychology (2009) from the University of Toronto.

Diverse Experience

- Operations Leader in outpatient and community mental health programs.
- Interim Clinical Leader Manager at St Michael's Hospital.

Expertise in Mental Health:

Jeanie's career as a Registered Occupational Therapist, mental health clinician, psychotherapist, and case manager has provided her with the skills to address a wide range of mental health challenges.

A Passion for Vulnerable Populations:

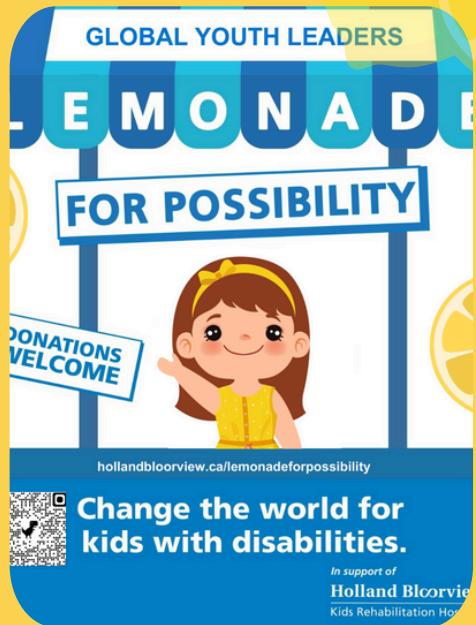

Jeanie's dedication extends beyond the clinical setting. Her true passion lies in meeting the clinical and social determinants of health needs of vulnerable populations who often face complex psychosocial issues in marginalized communities.

Jeanie Kang's remarkable journey in the field of mental health and occupational therapy is marked by her commitment to making a positive impact on the lives of those facing mental health challenges. Her story serves as an inspiration to all who strive to create a better world for those in need.

During our mental wellness workshop, GYL students had the unique opportunity to learn from a youth psychotherapist about navigating the high school years and stress debriefing. During this workshop, participants also had the chance to openly share their challenges and experiences, fostering a supportive and understanding environment.

Lemonade for Possibility

Holland Bloorview Kids Rehabilitation Hospital Visit

GYL successfully hosted its inaugural lemonade sale, raising over \$780 for Holland Bloorview Kids Rehabilitation Hospital through the sale of refreshing lemonade.

As a result of our fundraising efforts, we were invited for an exclusive hospital tour to witness firsthand how these donations positively impact children with rehabilitative needs. It was a rewarding experience to see how our contributions directly benefit those in need.

ANNUAL CHRISTMAS CONCERT

GYL hosted our annual Christmas Concert for the residents of Cummer Lodge Long-Term Care Home.

The event featured performances by Ensemble, Cello Duo, Solo Singer, Solo Dancer, and a Group Dance, all coming together to spread holiday cheer. In addition to the performances, we also created Christmas care gifts for the seniors, sharing the joy and spirit of the holiday season with them

CHRISTMAS *Social &* DONATION DRIVE

The GYL executives organized a social event for the volunteers, focusing on fostering teamwork, enhancing leadership skills, cultivating friendships, and, most importantly, creating a fun and enjoyable experience for everyone involved. Additionally, we conducted a successful donation drive for the Yellow Brick House, a shelter dedicated to supporting women facing domestic abuse. Our goal was to create care packages for those in need, and we are proud to announce that we were able to create over 100 care packages through our collective efforts!

ANNUAL UNIVERSITY SEMINAR

Our Annual University Seminar was a resounding success, providing invaluable insights and guidance from GYL alumni who have successfully navigated the transition from high school to university life.

During this engaging seminar, attendees had the opportunity to hear firsthand experiences from our GYL graduates. They shared essential strategies on how to prepare effectively for university life, what to expect in terms of academic challenges and social adjustments, and how to overcome various hurdles along the way. Our speakers also shared valuable advice on building strong networks, utilizing resources optimally, and developing study techniques for academic success.

PREPARING FOR UNIVERSITY AND BEYOND

GYL's annual university webinar with four guest speakers from Queens, Western and Waterloo who will provide valuable knowledge and firsthand experience.

COMMUNICATION SKILLS & MOCK INTERVIEW WORKSHOP

GYL's own Public Speaking Instructor, Manish Sawhney, recently hosted a transformative 2-day Communication Skills and Mock Interview workshop

Manish kicked off the workshop with an empowering 'I am a Hero' speech to boost confidence levels. He then shared his extensive experience and knowledge in public speaking, creating a safe and supportive environment for each GYL student to learn and practice their communication skills.

During the Mock Interview segment, GYL had the honor of welcoming Minister Cho, the founder of GYL, and his team. This provided GYL students with a rare opportunity to gain real-life interview experience and receive invaluable feedback from seasoned professionals

Cummerlodge

Joy is an indispensable gift we give to others. This year at Cummer Lodge Long-Term Care Home, GYL volunteers worked together to extend this gift to over 300 residents. Bi-weekly on Monday evenings, through activities such as picture Bingo and colouring, volunteers were able to connect with the residents and showed an incredible level of compassion as they assisted those with conditions ranging from auditory issues to arthritis and dementia throughout the events.

Above all, volunteers were able to forge deeper relationships not only with their peers but with the elderly in their community through the small discussions they shared on the simplest of topics such as food, fall, winter sports and activities, and diverse cultures, all of which were introduced in activities. Of course, each session was accompanied by a wide variety of prizes from snacks and candy to books for the residents who scored their victories in Bingo.

Additionally, GYL's beloved annual Christmas concert was once again a success this year with the help of volunteers, Cummer Lodge staff and GYL's very own Ensemble. By helping residents find their seats and distributing pamphlets along with small gifts, volunteers were able to witness the impact of their work on the local community. After weeks of preparation, it was heartwarming to see the night met with an abundance of laughter and dancing from the residents. Volunteers should be proud of the immense commitment and initiative they displayed this year in making sessions run as smoothly as possible for the residents and making their evenings more enjoyable. We look forward to doing great things at Cummer Lodge next year as well!

Castleview Wychwood Towers

We are proud to say 2023 and 2024 has proven to be a successful year for GYL at Castleview Wychwood Towers. Despite the challenges we encountered, our volunteers successfully overcame all the difficulties we faced.

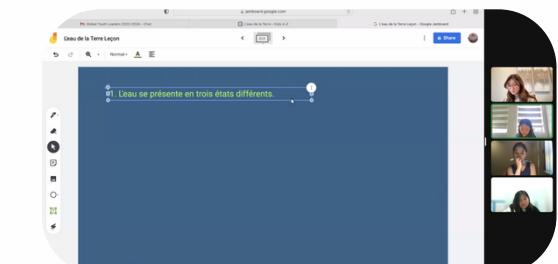

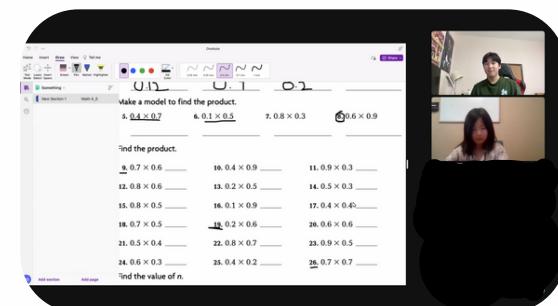

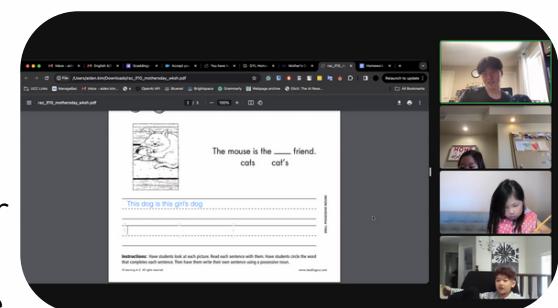

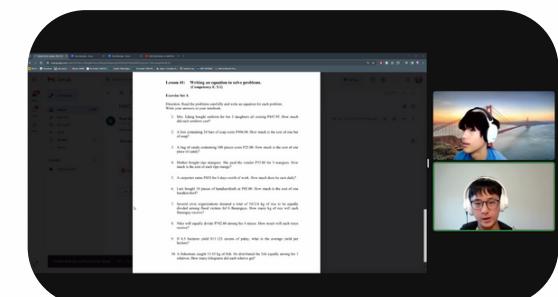

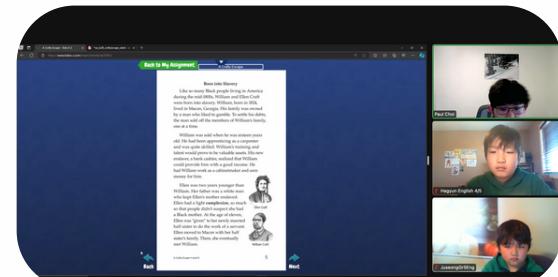

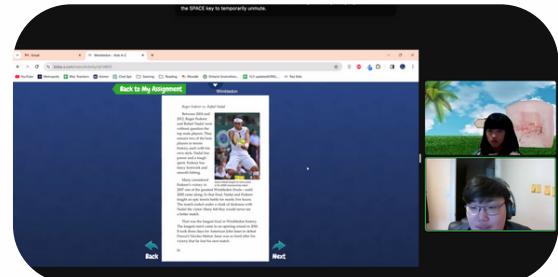

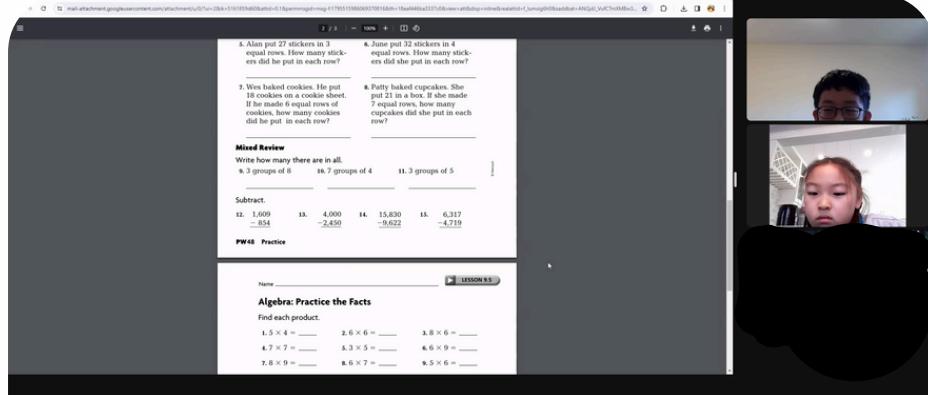

Throughout the year, the GYL volunteers held an array of events for the seniors at Castleview. Ranging from biweekly events of thrilling Bingo Nights, cozy Movie Nights, and creative Colouring Nights. Volunteers would escort residents from their rooms to the auditorium prior to each event. During Movie Nights, we watched the Despicable Me Minion movies. Posters were hung around the residential home showcasing our movie for the week, so the residents would know what movie to expect. For events such as Bingo Nights, we introduced various versions of Bingo to keep residents entertained, offering prizes for every victorious round.

Starting in April, we hosted Around the World Colouring Nights, with each night dedicated to a different country. Colouring prints and music were thoughtfully chosen to complement the theme, with varying complexity to accommodate to residents' varying levels of capabilities. Residents were able to immerse themselves in new traditions from diverse cultures.

We extend our heartfelt gratitude to our dedicated volunteers and the supportive Castleview staff for contributing to yet another successful year at Castleview. Here's to continued success in the years ahead!

Homework Club

GYL Homework Club is an academic tutoring session for students ranging from grades 1-6. Using Zoom, homework club took place online every Saturday from 3:00-4:30 pm where volunteers taught different subjects including Math, English and French. Throughout the year, 45 GYL members dedicated their time to helping students with their academics. During these sessions, volunteers developed and strengthened their leadership, initiative, critical thinking, and responsibility, as they led classes and interacted with their students.

The GYL members not only provided prepared materials for the students to learn, but also offered guidance regarding their schoolwork, tests, presentations/assessments, and other extracurricular work. In doing so, students created a stronger personal connection with the volunteers who considered the needs of each student and modified their methods to help the students learn as effectively as possible and make new friends.

Using Zoom, volunteers used features such as screen sharing to enhance the learning experience for the students. As the students started coming in at 2:45, they were put into their respective breakout rooms and the volunteers began teaching their prepared materials from Raz-Kids and the Harcourt Workbook. Through the online sessions, students were able to easily join the class and receive help while being in a fun and encouraging learning environment.

Public Speaking

Public speaking is a valuable and beneficial skill to have as a global leader of society. The public speaking club allows members to improve their public speaking skills with the assistance of a mentor.

The club is run bi-weekly starting from January and is led by Manish Sawhey, a director for Senior and Accessibility.

This year, club members developed essential techniques to improve their speaking skills and overcome their anxiety in front of an audience. Members learned to control their tone, posture, speed, and gesture through various activities.

The sessions are not only limited to public speaking skills, but they also enhance traits like responsibility, organization, quick thinking, teamwork, and creativity. As for special events, the members had the honor of hearing a speech from Minister Raymond Choi where he shared his personal experiences with public speaking and stories of other famous leaders who used public speaking in their lives. Students were encouraged to ask questions and ask for any advice from him.

Other club events include a potluck, a trip to Queen's Park, and campaign volunteering. The public speaking club is a great opportunity to get first-hand experience in public speaking and receive volunteer hours.

We encourage more GYL members to join next year. We look forward to seeing you!

Ensemble

GYL's Ensemble is a group of dedicated instrumentalists consisting of string, percussion, and woodwind players who strive to spread our love for music throughout the community. We held two-hour-long biweekly rehearsals at Edithvale Community Centre practicing a wide range of musical pieces, from classical pieces to famous movie soundtracks and festive music during the holidays.

Over the course of the year, we had the privilege of showcasing our dedication and hard work at various venues. During the winter holidays, we performed beloved classics such as Let It Snow and Jingle Bell Rock at Cummer Lodge Long-term Care Home and Milal Mission, a missionary organization helping those with autism and cognitive disorders. Our performances aimed to bring joy and comfort to various communities through the power of our playing. Later in the year, we continued practicing exhilarating pieces like Impossible by Thomas Bergerson and Orphee Aux Enfers by Jacques Offenbach for this year's forum.

This year has been an overwhelming success, with the improvement of our musical ability and great performances throughout the year. Each performance allowed us to collaborate as a team and present our collective effort. However, this was only possible through the help of our amazing conductor, Kim Sung-Joon. We thank him and the rest of the ensemble members for their hard work this year. For anyone with an interest in music, please do not hesitate to join us, regardless of your experience. We hope to see new members joining us next year!
